MINISTER OF AGRICULTURE

It is a pleasure to have this opportunity to express my appreciation of the contribution made to agriculture by the staff and student body of the Western Ontario Agricultural School.

Since its establishment the School, through its educational program and extension services, has played an important part in the development of agriculture in Southwestern Ontario.

It is gratifying to note the number of graduates of this School who have accepted the responsibilities of leadership in farm and rural community affairs, and it is with the full knowledge of the contribution this year's graduating class will make that I congratulate them on the successful completion of their studies.

Wm. A. Stewart,
Minister of Agriculture

DIRECTOR

W. O. A. S.

Having your graduation picture in the yearbook must bring mixed feelings. The friendship and fellowship established during your stay on this campus should be a lasting memory. However, after graduation there is a turning point with each graduate going his respective way, leaving many close ties. This must be a feeling of sorrow.

This yearbook will always be cherished, and should be kept in a prominent place in your home. I am sure you will turn to it on many occasions, refreshing many fond memories.

May I congratulate the executive who worked diligently in culminating its publication. It is a credit to a very fine year.

E. L. Woodley,
Director

A black and white photograph showing a group of seven people, likely students and faculty, working together in a library. They are gathered around a table. On the left, a young woman is seated, looking towards the center. Next to her, a young man stands, looking down at the table. In the center, a young man with glasses is seated, looking at a document. To his right, a young man stands, pointing at the table. Further right, a young woman is seated, looking at a book labeled 'SOUVENIR'. On the far right, a young man is seated, looking towards the center. A typewriter is on the table, and a young man is seated next to it, looking at the typewriter. The background is filled with bookshelves containing many books.

Bob French

PERMANENT YEAR EXECUTIVE

Wayne Lamb, President, Blair Clark, Wayne Balmer, Bill Kerr, James Shaw, Sec.-Treasurer.

The first endeavour of the Permanent Year Executive was to hold a dinner dance on Graduation Day. For the first time it was held in the school gymnasium. Nearly everybody turned out and the affair was a big success.

We also made arrangements to have a combination radio and record player hifi set installed in Steckley Hall. This will be Year '64's gift to W.O.A.S. and our contribution to a peaceful hall in the years to come.

We plan to send out a list of names and addresses every year and also hold class reunions. Please remember that you cannot turn back the pages of time and relive the good times at W.O.A.S., but you can attend the class reunions and help hold Year '64 together.

STECKLEY HALL

STECKLEY HALL

Soon Year '64 will be leaving Steckley Hall, where for two years living in residence has been part of your education. You will be taking your place in a crowded world where the ability to get along with other people will be advantageous, a busy world where the ability to work hard will be important, a competitive world where the ability to relax in healthy recreation will be essential. Most of you I think have developed and matured considerably along these lines since you entered W.O.A.S. in the fall of 1962.

Your student days will soon be over but memories will endure — our memories of you, yours of each other, and I hope, yours of Steckley Hall. And all your lives you will keep friendships too, that started on the campus and in the halls.

I have every confidence that you will fulfill the great expectations we have of you.

With sincere good wishes,

J. Harold Willson

Back Row: Normon Dennis, Jim Verstraete, Don McInnis (Captain), Ed Bradish, Ray Fenton, Wayne Hall, Harry Loewith, Alan Brown, Ronald Brown, Wayne Jackson, Ray Brown.

For the first time ever, the Westags won the East Kent Rural Hockey League Championship. The Westags defeated Morpeth in the 5th game of the finals. Morpeth won the first 2 games; Westags came back to win the next 2. In the third period of the final game, we came from behind to defeat our rivals 4-3 and win the trophy.

In the 63-64 season of the Rural League, the Westags played in 20 games and competed with five other teams.

In competition with Guelph's O.A.C. Associates, we lost the game at Guelph and the one here at Ridgetown.

I would like to give special thanks to our two coaches, Dr. Harden and Mr. Baldwin, to our manager, Peter Eberle and to our enthusiastic fans who supported us.

Captain.

Don McInnis

ACTION SHOTS

Let's go, Westags!

Move aside please

!1*?4-

VOLLEYBALL

Standing: Roy Buchanan (Cooch), Pete Lehman, Allan Ross, Jim Shaw, Don Van Sickle, Bob L'Ecuyer, Barry O'Brien, Frank Pinsonneault.

Front: Jim Verstraete, Gary Stevenson, Don McInnis, George McFadden, Ernie Greenwood.

The Westags entered the competition at West Lorne last November. Among the teams in the Swossa "B" Tournament were Merlin, West Elgin, Blenheim, Lambton-Kent and Catholic Central.

The Westags made a good showing finishing in 2nd place, losing to West Elgin and winning with a narrow margin over Lambton-Kent, two out of a three game play-off.

Two weeks later another tournament held in Essex involved Kingsville, Tilbury, West Elgin and W.O.A.S. In this contest West Elgin came out on top, Kingsville second and Tilbury and the Westags tied for the third position. Even though we didn't win the tournament the sportsmanship was excellent and the team members enjoyed the keen competition.

We are extremely grateful for and sincerely appreciate the coaching of Mr. Roy Buchanan, and wish to thank him for his time and efforts.

Also intramural volleyball was played throughout the year. Of the four teams competing Jim Mansell's won the contest and the Terry Wright trophy.

Jim Shaw

Captain

BASKETBALL

Standing: Roy Buchanan (Coach), Richard Barran, Paul Johnson, John Patterson, John Tooshkenig, Wesley Stanley, Jim Shaw, Mr. R. H. Brown (Coach).

Front: Murray Sharp, Jahn Watson, George McFadden, Allan Ross, Ed Bezaire.

The Westags had a most successful season this year winning 14 out of 17 games.

Three exhibition games were played, one with Ridgetown High and two with Tecumseh High School. In the two with Tecumseh, each team won their home game. Fourteen games were played with a definite goal in mind, twelve in the Swossa "B" League and two with the two year Associate Course at O.A.C.

In the league the Westags competed with West Elgin (West Lorne), Merlin, Blenheim, Merici (Wallaceburg), Lambton-Kent (Dresden) and Catholic Central (Chatham). Two games were lost in the league—one to West Elgin by one point and one to Merlin by two points.

Out of a two game series with the O.A.C. Associates the Westags managed to win both games, the scores being, at home 46-30 and 39-34 at O.A.C.

All the team members are grateful for the able coaching of Mr. Rudy Brown and Mr. Roy Buchanan. Their time and energy were generously offered at all times to improve the team and we thank them sincerely.

ORGANIZATIONS

STUDENTS' COUNCIL

Seated: Glen Gregory (Secretary), Jim Shaw (Treasurer), Wayne Lamb (President).

Standing: Allan Ross, Bill Kerr, Blair Clark, Paul Johnston, Don MacMillan (Vice-President).

The most important duty of the Students' Council is to promote co-operation and good feeling between the students and the faculty — especially with respect to residence life and conduct. Mr. Willson and his assistants, Roy and Pete, gave us willing help and co-operation, for which we sincerely thank them. We are proud to think our efforts made Steckley Hall a happy and friendly place for everybody — well, most of the time, anyway.

During the year we took on a variety of projects:— helping with the orientation program for Year '65; sponsoring the Annual Valentine Dance; arranging for the sale of crests, pennants, and car stickers; conducting Awards Night, with merit bars for academics, sports and campus activities; providing corsages for the Graduation Banquet.

All of us have appreciated the fine co-operation we were given by both staff and students and we are sure that next year's Students' Council will be just as fortunate.

President.

Wayne Lamb

REVIEW EXECUTIVE

Standing: Robert French, Ernie Pearce, Ray Brown, Alan Brown, Gary Ross, Jim Shaw (Treas.), Wes Stanley, Allan Manley, Larry Coyle, Don MacMillan.

Seated: Jim Magee, Don Jewell, Bill Kerr, Wayne Balmer (Pres.), Barry O'Brien, Doug Burchill, Derwood Braithwaite.

Inset: Bill Libby.

Our thirteenth Annual Review was held on Thursday, February 27 and we had our Director Mr. E. L. Woodley open the event.

Our theme this year was "Agriculture Today and Tomorrow". The displays this year were of topnotch quality, which was probably due to the great cooperation received by the directors. This cooperation was displayed in every part of the Review to make it one of much success. Year '64 finished only 4 points behind the juniors thus showing the great competition that took place.

The assistance and guidance that were given by judges, staff members, and Circle K members were much appreciated. We on the executive this year are proud to have been part of the 1964 Review.

Wayne Balmer

President

GLEE CLUB

Back Row: Mr. Ken Stevenson, Wayne Hall, Charles Ripley, John Tinney, Harold Douglas, Paul Kennette, Gary Stevenson, Norman Hyde.

Front Row: Edward Bradish, Ray Fenton, David Pinnegar, Donald Jewell, Murray Sharp, Mr. Stan Betts (Leader).

The 1963-64 Glee Club met regularly on Tuesday evenings. The membership was limited but the quality of the performances increased. This fact is mainly due to the patience and perseverance of our director and leader Mr. Betts.

The Glee Club participated in several school events. These included the Speaking Contest, Talent Night, Review Day, and the visit of the members of the O.A.C. Associates course.

Our staff sponsors were Mr. Stevenson and Mr. Hyde.

At this time I would like to add my thanks and the thanks of the whole group to Mr. Betts, Mr. Stevenson and Mr. Hyde.

The members do not profess to be professional singers but I know that everyone who attended the practices faithfully enjoyed the meetings and learned some of those Good Old Songs as well as some of the "Newer" ones.

This year has proven that with proper response from the staff and students the Glee Club can be a successful and important part of the campus activities.

Don Jewell
President.

CIRCLE K CLUB

Standing: Bill Arthur, Bob Dietrich, Ross Wilson, Jim Magee, Gord Brown.
Sitting: Norm Dennis, Gary Stevenson (Pres.), Poul Kennette.

In March of 1963, a Circle K Organization was chartered at W.O.A.S. Circle K is sponsored by its parent club, the Kiwanis Club of Ridgetown, and is part of Kiwanis International at College level.

This campus service organization is a strong link between the college and the community, and provides opportunities for good fellowship, and service to both school and community.

It is an organization based on the high ideals of Kiwanis International and membership in it can be one of the most enjoyable experiences in the school year.

Circle K provides fine training for future leadership and many lasting friendships are made in service clubs. Circle K holds regular weekly meetings and participates in a rotary plan through which each member is a dinner guest of Kiwanis in the course of the school year.

President.

Gary Stevenson

LITERARY SOCIETY

Don Jewell

Gary Ross

Wayne Hall

Ernest Greenwood

During the past year the Literary Society's members have been kept very busy.

Acquisition and sale of writing paper was the first big task of the year. Later Christmas cards were sold to the staff and students. The cards were plain and yet very attractive in a light grey with silver lettering.

The annual speaking contest was held in the auditorium on the 18th of February and this would have to be considered the main event of the year for the Society. Nine excellent speakers competed for \$50 prize money and points for the annual Review. Top place was taken by a junior, Ernie Greenwood, and he was followed by two seniors, Allan Manley and Ron Winter, who took second and third respectively.

We have spent an active and I hope successful year and I would like to express my thanks to the other members of the Society who have worked very industriously to make our efforts successful. Thanks also must go out to our consultant and guide, Mrs. Willson, who gave us many useful suggestions and lots of inspiration.

In closing I would like to give my best wishes to the Literary Society of Year '65.

Gary Ross

ATHLETIC SOCIETY

Bob Brown, Jim Verstraete (Treasurer), Don McInnis (President), Steve Pink.

Year 1963-64 was a very successful year for athletic activities here at W.O.A.S.

Teams in hockey, basketball, and volleyball represented the school in various leagues, exhibition games, and tournaments. There was also very keen competition again this year for the intramural volleyball trophy.

The new curling rink at Ridgetown was used by the Westags. We had a six team intramural curling league started this year and it is quite probable that there may be a school team next year.

In the spring we held our indoor-outdoor athletic competition which included 12 events in which much enthusiasm was shown by the boys. The competitors in these events were given points for their placings. Points were also given to players competing on school teams and on intramural teams. The boy with the most points wins the athlete of the year award.

The Athletic Society would like to thank our Staff Adviser, Mr. Willson, the coaches of the various teams, and all those who supported our athletic events during the past year.

President.

JUDGING TEAM

Don Campbell, Wayne Balmer, J. W. Underwood, coach, Don McInnis, Robert French.

A few days before the beginning of the fall term nine students returned to school for practice and coaching in livestock judging. From this group four boys were chosen for the team to represent W.O.A.S in the Inter-school Judging Competition at the Royal Agricultural Winter Fair in Toronto, November 14.

At the Royal we judged ten classes, three of beef, three of dairy, two of swine, one of carcasses and one of sheep. Later we gave reasons on all of these classes. In the evening we attended a banquet for coaches and competitors, at which we learned we had placed second. O.A.C. was first, Kemptville Agricultural School third and Michigan State fourth.

Although we were not as fortunate as the teams in previous years, we gained valuable experience and sincerely thank our coach Mr. J. W. Underwood.

SPEAKING TEAM

Standing: Francis Pinsonneault, Allen Manley, Wayne Lamb.
Seated: Douglas Burchill, Mrs. Willson.

At the end of January, four Speaking Team members were chosen by Mrs. Willson to compete with a team from O.A.C. Associates during their annual visit to W.O.A.S.

Doug. Burchill was to be the main speaker and we decided to have him adapt a speech he had made at the Speaking Contest the year before — it was on Canadian Nationalism and he won the contest with it; so we made "Canada's Split Personality" our theme. I acted as chairman for our twenty minute presentation, and Wayne introduced Doug, and of course Francis Pinsonneault was a natural to thank him — in French!

"A Canadian Hootenanny", we called our musical contribution, with songs in both English and French. The accents may not have been perfect — but there was lots of enthusiasm.

Practising was hard work but it was fun too — and we were glad to be the winners.

Allen Manley.

BACCALAUREATE SERVICE

Baccalaureate Sunday was March 15. As in past years a service was held in the auditorium at 4 o'clock with Mr. Woodley presiding, and Wayne Lamb and Jim Shaw assisting, as representatives of the Students' Council. The faculty, the graduating class and their parents were in attendance. Rev. Dr. W. A. Young, Chaplain of the Federated Colleges, Guelph, preached the Baccalaureate sermon on "Stopping Places and the End of the Line". The Padre's talk was down-to-earth and timely and every graduate felt its inspiration. The Glee Club acted as choir and sang "How Great Thou Art" and "Steal Away to Jesus".

Following the service, the graduating class and their parents were entertained at a banquet in Steckley Hall.

Congratulations and Best Wishes

RIDGETOWN, ONT.

What is a Co-op?

A co-operative is an organization which belongs to the members. The control rests equally with all members, and the profits are distributed to the members.

Who can join a Co-op?

YOU can join a co-op if you can make use of the goods and services it offers.

control economic conditions and help prevent monopolies.

How is the Co-op business run?

Each member, regardless of his investment, has one vote to help govern and run his Co-op. Each member may use his voice and his vote in his own way; he can suggest, advise, criticize and commend. Members elect a board of directors to set policy in their interest and to hire and guide management. Earnings are divided amongst the members in proportion to the use they make of the co-operative services.

How do Co-ops help us?

By encouraging the adoption of co-operative philosophy to the economic needs of the people by the organization of co-operative societies for distribution, production, marketing, housing, health, insurance, credit, cold storage, wholesale and other services to which co-operative principles can be applied.

Why do people join Co-ops?

To obtain quality goods and services at competitive market prices; to democratically

Should you join a Co-op?

If you want better control of the uses of your money . . . if you want to make your opinion and voice count . . . if you want the satisfaction of sharing and working with others to realize a common achievement . . . then *you* belong in co-op.

A CO-OP IS US

LEADERS IN RESEARCH

Profitable feeding comes through successful feeds—and Shur-Gain nutritionists lead the industry in developing the necessary research and farm tests essential to making successful feeds. In these fast-changing times, the fact that the Shur-Gain team of scientists is doing more research and development of feeds and feeding programs in Canada than any other company has helped it to grow into Canada's leading manufacturer of livestock and poultry feeds, celebrating this year **25 years of progress** with Shur-Gain Feed Service. □ Progress through research. This is the Shur-Gain way . . . and the reason why Shur-Gain is the name to remember. □ **SHUR·GAIN DIVISION** ☉ **CANADA PACKERS LIMITED**
